GHOURI

DIGITAL MARKETING STRATEGIST | BRAND BUILDER | ORM EXPERT

MBA-qualified strategist with 10+ years building brands, scaling revenues and delivering ROI across US and regional markets. Built 20+ brands from scratch, achieved \$45K+ marketing upsell in a single quarter and retained PKR 2.5 Cr+ in client accounts. Expert in ORM, performance campaigns and full-funnel digital strategy.

PROFILE SUMMARY

Adeel Ghouri is a results-driven Digital Marketing Strategist with a decade of proven impact across brand building, client servicing, ORM and revenue generation. His ability to architect brands from scratch, retain high-value clients and consistently exceed upsell targets makes him a strategic asset to any growth-focused organisation. He combines creative marketing thinking with strong operational discipline to deliver campaigns that convert and brands that last.

E-books, FMCG, website, apparel, real estate, social media marketing, content & PR

PROFESSIONAL EXPERIENCE

AVP – Marketing Strategy & Brand Operations

Feb 2024 – Present

Sleekhive Technologies

- Launched and scaled 20+ e-book brands from zero — brand identity, market positioning, pricing strategy and full go-to-market execution.
- Generated \$45,000+ in marketing upsell within a single quarter through strategic package development and campaign optimisation.
- Built dedicated Sales & Production teams; designed SOPs ensuring 95%+ on-time project delivery.
- Spearheaded ORM and social media strategies across all brand portfolios, driving consistent market visibility.
- Developed high-conversion pitch decks and presentations directly accelerating high-value deal closures.
- Planned and optimised Meta & Google ad campaign budgets cross-functionally to maximise ROI.

Senior Digital Marketing Manager

Sep 2023 – Feb 2024

Crystallite Pakistan

- Managed end-to-end SMM, ORM and community management for US-based e-book and design clients.
- Developed content strategies and brand narratives driving consistent engagement and account growth.

Head of Digital Marketing

Feb 2022 – Sep 2023

Tech Horizontal Pvt. Ltd.

- Led performance marketing, SMM and ORM for US-based clients across e-books, Wikipedia and design.
- Achieved USD 8,000 marketing upsell through strategic service expansion and deepened client relationships.
- Managed cross-functional marketing operations and client communications across multiple accounts.
