SUMMARY

Strategic marketing leader with expertise in **multi-vertical brand management, digital transformation, and growth marketing** across Travel, Visa, Immigration, Business Consulting, Pharmaceutical and Not for Profit Organizations and Industries. Proven track record in **scaling brands, driving audience growth, executing multi-channel campaigns, and leading high-performing teams**. Adept at **developing brand architecture, optimizing customer experience, and aligning marketing strategy with business growth objectives**. Recognized for delivering **measurable impact** through innovative campaigns, content strategy, and thought leadership initiatives.

WORK EXPERIENCE

AEG Group – Travel, Visa, Immigration & Consulting

Head of Marketing | Feb 2025 – Present

- **Lead marketing strategy, growth, and brand governance** across four verticals and multiple B2B/B2C sub-brands, including TicketJee.
- **Worked directly with the CEO, Chairman, and leadership team** on growth priorities and brand-led revenue strategy.
- **Owned annual marketing roadmap and budget planning** aligned with business growth priorities.
- **Act as principal owner of brand integrity, narrative consistency, and customer experience** across all touchpoints.
- **Defined market positioning and value propositions** across Visa, Immigration, Travel, and Consulting verticals.
- **Developed differentiation frameworks** against local and regional competitors.
- **Designed and implemented a group brand architecture model**, aligning multiple verticals and sub-brands under a unified identity while preserving category differentiation.
- **Repositioned AEG from a transactional services provider to a trust-led, people-centric, premium brand ecosystem.**
- **Built standardized brand guidelines, messaging frameworks, and service narratives** to support regional scalability.
- **Led and mentored a cross-functional in-house team of four**, including Creative Lead, Social Media Executive, and SEO & Performance Marketer.
- **Marketing-led campaigns contributed to approximately 80% of inbound sales pipeline** for Education Gateway and increased overall inbound leads for all companies by over 200%.
- **Delivered sustained organic audience and community growth** across all brands by at least ~130%.
- **Led the complete relaunch of www.aeg.com.pk** as a scalable digital flagship, focused on:
 - Conversion-led UX and UI
 - Structured lead journeys and CTAs

- Video-led storytelling
- Future-readiness for multi-market expansion
- **Led ideation, scripting, and creative direction** for:
 - **Corporate brand films**
 - Service explainer content
 - Performance-led short-form media
 - **Built centralized content banks** to support regional campaigns, sales enablement, and performance optimization.
- **Scaled short-form video and performance-led campaigns** while maintaining brand equity.
- **Executed SEO strategy and WhatsApp marketing funnels** to strengthen organic visibility and conversion.
- **Aligned messaging with B2B, SME, enterprise, and consumer segments.**
- Led physical and digital **brand rollouts across offices**, ensuring consistent customer and employee brand experience.
- Designed a **structured employer branding and onboarding experience**, reinforcing culture, values, and brand identity from day one.
- Led **internal engagement initiatives and culture storytelling** to enhance **talent attraction and brand advocacy**.
- Built TicketJee as a **distinct consumer brand** within the AEG ecosystem; introduced **mascot-led brand storytelling (Teejay)** to humanize the brand and improve recall.
- Led Education Gateway **on-ground activations** at national institutions.
- Worked with **regional and international partners** and managed brand standards aligned with global partners including AmEx GBT.
- Built collateral for AEG Consulting to grow across **GCC and North American** markets.

AEG Consulting

Lead – Marketing & Communications | Sep 2024 – Jan 2025

- **Owned end-to-end marketing strategy, brand growth, and communications**, positioning AEG Consulting as a knowledge-led, impact-driven consulting firm.
- **Led the complete rebranding from Beevise to AEG Consulting**, redefining brand identity, messaging, and market perception to reflect expanded services and global ambition.
- **Worked closely with leadership to drive brand-led growth**, supporting client acquisition, retention, and consulting pipeline expansion.
- **Scaled AEG Consulting's digital presence through organic strategy**, achieving significant percentage growth in LinkedIn followers and engagement.
- **Directed content strategy and production**, including corporate profiles, sales decks, service narratives, and thought leadership to strengthen industry positioning.
- **Conceptualized and moderated webinars, workshops, and training programs**, reinforcing credibility, community engagement, and client trust.
- **Designed customized sales pitches and marketing collateral**, enabling consulting growth across local and international markets.
- **Managed executive branding for the CEO**, positioning thought leadership and strengthening professional influence on LinkedIn.

- **Led video and visual storytelling initiatives**, including team introduction videos and service-focused campaigns.
- **Oversaw large-scale creative production**, ensuring consistent, high-quality brand execution across digital, physical, and experiential touchpoints.
- **Designed office wall branding and client-facing environments**, translating brand values into physical space.
- **Managed branded merchandise and client gifting**, aligning premium aesthetics with brand expectations.

AEG Consulting

Marketing & Communications Specialist | June 2023 – Aug 2025

- **Managed LinkedIn** presence for both the CEO and company, **handling end-to-end content planning, creation, publishing, and engagement**.
- Developed and executed **LinkedIn content strategies**, including posts and long-form articles, to build thought leadership and drive organic growth.
- Drove **lead generation through LinkedIn** by aligning content with target audiences and optimizing engagement strategies and cold messages and emails.
- **Worked closely with leadership to drive brand-led growth**, supporting client acquisition, retention, and consulting pipeline expansion.
- Created **marketing content and communication materials** to support brand visibility and audience engagement.
- Designed and developed **client-facing presentations and sales decks** enabling consulting growth across local and international markets.
- Managed branded **client gifting**, from sourcing and design to final execution.
- **Conceptualized and moderated webinars, workshops, and training programs**, reinforcing credibility, community engagement, and client trust.

VORSON Pvt. Ltd.

Assistant Product Manager | 2021

- Supported product and brand initiatives by **planning and executing marketing campaigns** for both the company and its clients.
- **Curated creative and differentiated giveaways** for partners and clients, aligning product presentation with brand objectives.
- **Developed client-specific presentations**, tailoring messaging and visuals to product positioning and customer needs.
- **Planned event calendars and designed event-led campaigns**, ensuring timely execution and brand consistency.
- **Built and maintained client relationships**, supporting collaboration, trust, and repeat engagements.

Women Engineers Pakistan

Outreach Coordinator | 2020 – 2021

- **Led Pakistan's first-ever virtual job fair**, attracting 1,500+ registrations and 62 exhibitor booths, including top organizations such as Engro Energy, K-Electric, Nestlé, UNOPS, Telenor, Shaukat Khanum, HBL, ICI Pakistan, WAPDA, and WWEA.
- **Managed outreach calendar**, planning community events, workshops, appearances, and communication initiatives to maximize engagement.
- **Nurtured partnerships**, building and maintaining strong relationships with new and existing collaborators.
- **Supported end-to-end event execution**, including communications, educational sessions, and immersive experiences.
- **Directed social media marketing strategy** for events, increasing awareness, engagement, and participant reach.
- **Developed volunteer recruitment and training plans**, ensuring optimal participation and resource utilization.
