PROFESSIONAL SUMMARY

Performance Marketer with 2+ years managing \$20,000+/month in paid media across Google Ads, Meta, TikTok Ads, and DSP platforms — delivering 2x–6x ROAS for 20+ brands across e-commerce, B2B, B2C, and service sectors. Skilled in audience targeting, bidding optimization, A/B testing, UTM tracking, funnel optimization, conversion rate optimisation (CRO), and campaign scaling. Experienced in affiliate marketing, programmatic advertising, and Google Sheets automation for performance reporting. Consistently reduces customer acquisition cost (CAC), improves CTR, and drives measurable revenue growth.

EXPERIENCE

Socialpie Technology | Performance Marketer

Jan 2026 – Present

- Managed \$20,000+/month in ad spend across Google Ads, DSP, and TikTok Ads for performance and affiliate marketing campaigns spanning multiple niches.
- Maintained consistent 2x–4x ROAS across all ad networks through rigorous bid management, audience segmentation, lookalike audiences, and continuous funnel optimisation.
- Improved ad creative and copy quality, directly lifting CTR and conversion rates, contributing to campaigns generating \$40,000+/month in tracked revenue.
- Built Google Sheets automation workflows for performance tracking and reporting, reducing manual reporting time by 40% and accelerating campaign decision-making.
- Used n8n to automate weekly campaign reporting, saving 5+ hours/week and enabling same-day optimization decisions.
- Applied programmatic advertising and DSP strategies for precise audience targeting and efficient budget allocation across multiple channels.
- Leveraged AI automation tools to streamline campaign workflows and strengthen cross-functional team collaboration.
