

ANOSHAH BALOCH

Social Media Manager | Brand Strategy | Content & Campaigns

Dubai, UAE • +971 50 721 0559 • anoshahbaloch1@gmail.com • [linkedin/anoshahbaloch](#) • [Portfolio Link](#)

PROFESSIONAL SUMMARY

Social media and brand marketing specialist with a finance-trained analytical edge. Currently an AI Marketing, Operations & Analytics Intern at CREW, supporting Shopify analytics, website performance tracking, and content operations for client brands. Led a 7-person team through a 10-week AI marketing build for a UAE fitness app, and led the winning research workstream for Afnan Perfumes' Gen Z rebranding, presenting to Afnan brand managers. Certified in AI Fluency (Anthropic) and skilled at translating consumer insight into content, campaigns, and brand positioning that moves engagement and revenue.

EXPERIENCE

AI Marketing, Operations & Analytics Intern

Jul 2026 to Present

CREW, Karachi

- Supporting analytics, operations, and content workflows for CREW client brands including Nush Care, covering Shopify store analysis, website performance tracking, campaign reporting, and social media metrics.

AI Marketing Team Lead

Spring 2026

University of Wollongong Dubai | Live Project, UAE Fitness App

- Directed a 7-person hybrid team through a 10-week end-to-end AI marketing build, delivering a full stack from research to publishing, including multi-channel content workflows in Google Opal that cut production time by an estimated 60% versus manual builds.
- Deployed Gemini Deep Research and NotebookLM to generate evidence-tagged consumer segments that drove positioning validated through custom AI-persona stress-testing.
- Launched a 4-day Father's Day campaign with AI-generated creative, testing 3+ audience segments across Instagram and TikTok.

Marketing Strategist | Live Client Brief (Winning Team)

2025

Afnan Perfumes x University of Wollongong Dubai

- Led research and situational analysis for Afnan Turathi's Gen Z rebranding and brand positioning strategy; team presentation selected as the winning entry by Afnan brand managers.
- Diagnosed an 11.2 percentage point market share gap versus Lattafa driven by digital visibility, which became the strategic anchor for the entire campaign.
- Constructed SWOT, PESTEL, competitive perceptual map, and multi-attribute model quantifying performance across 8 consumer-prioritized attributes.
- Contributed to a 12-month integrated marketing communications plan spanning awareness, engagement, and conversion phases.

Social Media Manager

2023 to Present

@alizay.db | Instagram & TikTok

- Grew personal lifestyle and beauty account through algorithm-driven strategy, iterating hook, format, and posting cadence based on native-platform performance analytics; edited in CapCut with fast turnaround and A/B tested captions, thumbnails, and posting time to lift engagement.

Brand & Content Direction, Student Productions

2022 to 2024

Nixor College Productions, Karachi

- Directed visual branding and content strategy across 6 large-scale student productions (Cloud 9, Vexistis Film Festival, Nixor Globe-Fest, Talent X, Apocalypse, Beat the Stigma), coordinating cross-functional teams and building pre-event social campaigns that drove ticket sales for audiences of 500+ attendees per production.

EDUCATION

University of Wollongong Dubai | BCom, Finance Major • GPA: 3.6

Graduated June 2026

Nixor College | Higher Secondary Education, Karachi

2021 to 2023
