MOBASHER MEHMOOD

A Skilled Marketing Professional

WHY MOBASHER?

A Young computerscience student, a quick learner with negotiation skills, polite with a problem solving mindset, and flexible to adopt new fields. I have strong computer skills (MS Office), skilled in digital marketing skills (such as designing Facebook Ads & Google Ads campaigns). I have a strong understanding of online platforms, social media management, and campaign strategies. I believe my technical expertise along with my strong communication skills in both English and Urdu will enable me to effectively connect with target audiences and contribute significantly to your marketing and customer engagement efforts.
