- Develop field sales plans to expand market reach and drive growth.
- Identify marketing opportunities through analysis of consumer needs, market dynamics, and competitor activities.

Sep 2014 to May  
2020  
Karachi, Pakistan

**Deputy Manager Sales and Marketing  
Adamjee Engineering (Pvt) Ltd.**

- As the individual Oversaw Sales and Marketing activities of the Fasteners Division, my foremost duty is to ensure the achievement of our objectives. In this regard, I have as the individual Oversaw Sales and Marketing activities of the Fasteners Division, my foremost duty is to ensure the achievement of our objectives. In this regard, I have developed and implemented new marketing and sales plans, along with setting the strategy for the next five years. Moreover, I plan the Company Sales Budget and territories sales budget.
- Collaboration with dealers across Pakistan is a vital aspect of my role, entailing sales and production planning for their routine dispatches. Additionally, through close coordination with regional offices and teams, I manage, monitor, and enhance the sales of assigned Territories and OEMs of fasteners.
- I undertake the survey and assessment of the viability of the appropriation and logistics system of the assigned wholesaler, crosswise over the nation, to ensure its effectiveness. It's also my responsibility to monitor the placement and display of promotional material of AEL fasteners at retail outlets.
- Staying up to date with market trends, new developments, and utilizing this information for business improvement is an essential component of my role. As such, I keep the National Sales Manager (NSM) informed of all the latest happenings.
- I'm accountable for product portfolio performance, working alongside the sales team of all territories and other stakeholders. To improve the bottom line and increase market share, I recommend and develop pricing strategies. Designing impactful brand strategies, allocating resources efficiently across projects, and defining short-term and long-term objectives.
