

# SIDRA ABAD

## Growth & Product Marketing Manager

Years of experience driving acquisition, GTM execution, and growth across AI and cybersecurity products. Strong background in integrated marketing campaigns, market research, and lead generation. Experienced in managing end-to-end initiatives including events, agency partnerships, and conversion-focused workflows, with a user-first, data-informed approach. Known for high ownership, clear communication, and the ability to translate products into practical growth systems.

## WORK EXPERIENCE

### Disrupt — Assistant Marketing Manager JAN 2025 – PRESENT

- Executed integrated digital and community marketing campaigns to drive pipeline growth and brand visibility.
- Built AI-assisted workflows to improve lead handling, outreach efficiency, and campaign execution.
- Collaborated with product and engineering teams to refine positioning, UX, and ICP alignment.
- Led market research, competitor analysis, and A/B testing to support targeting and growth strategy.
- Managed agency meetups and product walkthroughs end-to-end, converting qualified prospects through structured follow-ups.
- Represented the product in demos and stakeholder meetings, clearly communicating value propositions to support conversion.
- Coordinated conferences and external events from outreach to post-event lead nurturing.
- Owned campaign reporting and performance tracking to continuously improve lead quality and outcomes.

### PureVPN — B2B Product Marketing Lead Nov 2021 – Dec 2024

- Led GTM initiatives for cybersecurity products, driving pipeline through ecosystem partnerships, webinars, and co-marketing campaigns.
- Executed integrated marketing strategies across paid media, SEO, organic content, and community channels.
- Built LinkedIn community engagement and delivered content across LinkedIn, Reddit, and Quora to attract qualified leads.
- Led technical SEO and content optimization initiatives for global markets.
- Supported ecosystem development through partnerships and co-marketing opportunities.
- Collaborated cross-functionally with product, sales, and engineering teams, supporting sales enablement and onboarding.

### IBEX Global Pakistan — Customer Support Dec 2019 – Dec 2020

- Supported client accounts through research, documentation, and business communications.
- Assisted in preparing presentations and business plans for diverse client needs.
- Developed strong communication and client-handling skills in a fast-paced environment.
