ABOUT ME

Organized and hardworking professional with 2+ years of experience in customer service and technical support. Skilled at multitasking, problem-solving, and communicating technical information clearly. Flexible, goal-oriented, and motivated to take on new challenges to achieve results and ensure high customer satisfaction.

WORK EXPERIENCE

Fixels Media – Karachi, Pakistan

City: Karachi | Country: Pakistan

Customer service representative

[01/10/2024 – Current]

- Respond to customer inquiries via chat and messaging platforms — answer questions, provide information, and guide customers about products/services.
- Provide support for technical or account-related issues (e.g. troubleshooting, resolving bugs or problems) and escalate complex problems to higher support or relevant teams when needed.
- Stay updated on company services, policies, and product knowledge to provide accurate, up-to-date information to customers. Maintain records of customer interactions: log issues, resolutions, follow-ups — using CRM or support-ticket systems.
- Collaborate with team members and other departments to ensure consistent and effective support services.

US mobile – Karachi, Pakistan

City: Karachi | Country: Pakistan

User experience analyst

[08/06/2024 – 30/08/2024]

- Respond to customer enquiries via chat and email about mobile-service plans, billing, account activation, data usage, and technical issues.
- Help customers with account sign-up, service activation or changes, SIM/eSIM setup, and plan adjustments.
- Troubleshoot technical problems related to mobile connectivity, device compatibility, network coverage — explaining solutions clearly and ensuring users understand.
- Handle multiple tasks at once: support calls/chats, data entry, account management, follow-ups — often under time pressure or during high call volumes.
- Handle multiple tasks at once: support calls/chats, data entry, account management, follow-ups — often under time pressure or during high call volumes.

Ibex – Karachi, Pakistan

City: Karachi | Country: Pakistan

Customer Support Specialist

[21/09/2022 – 09/06/2024]

- Customer Service Specialist with 2 years of experience in customer support and technical assistance.
- Handle inbound customer interactions via **phone, email, or chat** to respond to inquiries, complaints or requests.

- Provide accurate information to customers about products, orders, billing, service features, or complaints — ensuring clarity and professionalism.
- Aim to meet performance metrics like **response time, customer satisfaction (CSAT), call quality, resolution time** and other KPIs.
