ABOUT ME

I'm a performance marketing specialist with 7+ years of experience in running PPC & Meta campaigns. I help businesses scale through data-driven PPC strategies and ROI-focused campaigns. From e-commerce to lead gen, I've consistently delivered measurable results across industries.

EXPERIENCE

Sr. Asst Manager Performance Marketing TCS Private Limited

Jan 2026 – Present

- Manage full-funnel performance marketing campaigns for TCS Sentiments Express and STUDIO by TCS.
- Plan, execute, and optimize paid advertising campaigns across Google Ads, Meta Ads (Facebook & Instagram), and TikTok Ads.
- Monitor daily campaign performance and optimize budgets, creatives, audiences, and bidding strategies.
- Manage campaign budgets, pacing, and bid strategies to maximize return on ad spend (ROAS) efficiency.

Performance Marketing Specialist Cubix Inc.

Feb 2023 – Sep 2025

- Plan, execute, and optimize Google Ads and Meta Ads campaigns for in-house B2B e-commerce brands (TheApparelFactory.com, ComputingWorlds.com).
- Develop and implement performance marketing strategies to generate qualified leads and drive B2B conversions at scale.
- Conduct detailed audience segmentation and keyword targeting aligned with industry-specific buyer intent and purchasing cycles.
- Manage campaign budgets, pacing, and bid strategies to maximize return on ad spend (ROAS) efficiency.

Senior PPC Specialist

Nelscape

Oct 2021 – Dec 2022

- Strategize, execute, and manage performance-driven PPC campaigns focused on lead generation for multiple eBook brands.
- Develop and implement lead-focused targeting strategies to maximize conversion rates and reduce cost per lead (CPL).
- Continuously analyze campaign performance using metrics such as CTR, CPC, ROAS, and conversion rates to identify growth opportunities.
- Optimize landing pages in collaboration with design and development teams to improve user experience and boost lead quality.

Paid Media Specialist

Digital Eggheads

Feb 2021 – Sep 2021

- Manage and optimize Google Ads and Meta Ads campaigns across multiple brands to drive qualified traffic, conversions, and ROI.
- Develop and execute data-driven advertising strategies tailored to brand goals, audience behavior, and platform best practices.
- Conduct comprehensive keyword and audience research to inform targeting, bidding, and ad creative decisions.
- Create compelling ad copy and visual assets in collaboration with content and design teams to improve ad engagement and performance.
- Analyze campaign data using Google Ads, Meta Business Manager, and analytics tools to report on KPIs such as CTR, CPA, ROAS, and conversion rates.

PPC Specialist

InnovaTech Solutions

Mar 2020 – Jan 2021

- Strategize, execute, and manage performance-driven PPC campaigns focused on lead generation for multiple RSP brands across the USA and UK.
- Oversee the full campaign lifecycle from keyword research, ad copy creation, and bid management to daily performance monitoring and optimization.
- Conduct comprehensive keyword and audience research to inform targeting, bidding, and ad creative decisions.
- Create compelling ad copy and visual assets in collaboration with content and design teams to improve ad engagement and performance.
- Collaborate with internal stakeholders to align PPC strategy with business goals and sales funnel performance.

Webmended

Jan 2019 - Jan 2020

- Lead and manage Google Ads campaigns for two affiliate brands, ensuring alignment with performance goals.
- Conduct in-depth research on top-performing US and UK stores within affiliate networks to identify profitable PPC opportunities.
- Conduct comprehensive keyword and audience research to inform targeting, bidding, and ad creative decisions.
- Collaborate closely with affiliate managers and account teams to coordinate promotional efforts and campaign timing.
- Manage daily budget allocations, monitor ad spend, and ensure efficient use of resources across all campaigns.
- Work extensively with major affiliate networks including ShareASale, CJ (Commission Junction), Impact Radius, Admitad, Tradedoubler, AWIN, and Skimlinks.

PPC Executive

Oct 2017 - Jan 2019

- Assist the Senior PPC Specialist in developing and optimizing paid advertising campaigns.
- Conduct in-depth keyword research to identify opportunities and trends aligned with campaign objectives.
- Create and manage Expanded Text Ads (ETAs), ensuring high relevance, quality scores, and strong ad copy performance.
- Analyze key metrics such as CTR, CPC & Quality Score to support data-driven decision-making.
- Proactively identify and escalate performance issues or improvement opportunities to the Senior PPC Specialist.
