- Ensured brand alignment across all designs; increased visual consistency by 40%.
- Managed social platforms, edited videos & product photos; delivered 30%-50% success in engagement.
- Adapted designs per feedback while ensuring quality & meeting deadlines; reduced rework by 50%.
- Designed impactful presentations that boosted clarity and client understanding by 45%.
- Created bilingual (English & Arabic) assets to expand reach & accessibility by 35%.

Graphic Designer, Brand Expo

Oct 2022 - Dec 2022

- Designed static and animated videos for International Defence Exhibition and Seminar - IDEAS Expo 2022 using Adobe Creative Suite.
- Created visually compelling event graphics for promotional and informational purposes.
- Developed engaging animations to enhance event presentations and displays.
- Ensured all designs aligned with the event's branding and messaging.
- From scratch to go-live, used my extensive experience to ensure that the dimensions and technical specifications are suitable for printing.

Graphic Designer, Freelance

July 2019 - Present

- Developed visually compelling graphics and layouts for client projects, including logos, brochures, advertisements, and websites.
- Collaborated with clients to understand their vision and deliver customized design solutions that meet their needs and exceed expectations.
- Managed multiple projects simultaneously, ensuring timely delivery and adherence to brand guidelines and project specifications.
- Utilized industry-standard design software such as Adobe Creative Suite to create high-quality, print-ready graphics.
- Conducted market research and competitor analysis to inform design strategies and stay current with design trends.
- Provided post-design support, including file management, revisions, and technical troubleshooting.
