PROFILE

Results-driven Senior Graphic Designer with 3+ years of progressive experience architecting visual brand ecosystems across institutional, commercial, and digital domains. Combines mastery of traditional visual communication principles with advanced AI-assisted creative workflows to deliver faster, more scalable, and strategically differentiated design solutions. Proven track record of leading high-visibility campaigns for universities, e-commerce brands, and corporate clients — consistently elevating visual standards while meeting demanding production timelines.

PROFESSIONAL EXPERIENCE

Graphic Designer & Creative Asset Lead

Ziauddin University — Karachi

2023 – Present | 3+ Years

- Architected and delivered end-to-end visual brand ecosystems for institutional expos, convocations, and large-scale academic campaigns, resulting in cohesive multi-format identity systems across print and digital channels.
- Designed high-impact event collateral — including signage systems, stage backdrops, brochures, and digital banners — for audiences exceeding 5,000+ attendees per event, significantly elevating the university's visual brand authority.
- Spearheaded full creative pipeline for convocation ceremonies: concept development, layout execution, and press-ready production across 20+ asset formats simultaneously.
- Integrated Adobe Firefly and Generative Fill into institutional campaign workflows, accelerating ideation cycles by 40% while maintaining creative consistency across deliverables.
- Collaborated cross-functionally with academic departments, marketing teams, and external vendors to ensure brand compliance across all touchpoints.

Creative Designer — E-Commerce & Brand Merchandise

Shoheen.pk — Karachi

2022 | 6 Months

- Developed comprehensive sports merchandise branding systems for a fast-growing e-commerce platform, producing commercial-grade assets with rapid 24–48 hour turnaround cycles.
- Created marketing visuals and product presentation graphics for international client orders, ensuring brand-accurate execution across diverse cultural aesthetics and markets.
- Leveraged AI-assisted ideation tools (Midjourney, Leonardo AI) to generate moodboards and concept directions, reducing initial creative briefing time by 35%.

Graphic Design Intern

Muhammad Ali Jinnah University (MAJU) — Karachi

2022 – 2023

- Supported institutional branding initiatives by designing campus visual communication assets, social media graphics, and event promotional materials.
- Developed foundational production skills across Adobe Creative Suite while contributing to live institutional media campaigns under senior creative supervision.

KEY ACHIEVEMENTS

- Led visual identity for 3 consecutive Ziauddin University Convocations — zero revision cycles in final production phases.
- Reduced design production timelines by 40% through structured AI-assisted creative workflows integrated into standard project pipelines.
- Delivered 200+ production-ready design assets annually across print, digital, and environmental media formats.
- Built and maintained a consistent institutional visual language used across 10+ departments at Ziauddin University.
