PROFESSIONAL SUMMARY

Customer-focused and results-oriented Customer Support Specialist with 7 years of hands-on experience in tech and e-commerce industries. Proven expertise in managing end-to-end customer operations, leading live chat teams, driving lead generation, and improving customer satisfaction across local and international markets (US/Canada). Dedicated to optimizing KPIs/SLAs and fostering brand loyalty.

WORK EXPERIENCE

Assistant Manager Customer Support Shomi Official — Karachi, Pakistan

Mar 2024 – Mar 2026

- Managed customer service operations for a top Pakistani women's apparel brand, ensuring seamless order processing, delivery tracking, and aftersales support.
- Handled complex customer complaints, return/exchange workflows, and WhatsApp query resolution with a high satisfaction rate.
- Executed proactive customer feedback campaigns and cold calling to strengthen client retention and brand loyalty.

Chat Support Agent (CSR) Daraz.PK — Karachi, Pakistan

Oct 2023 – Mar 2024

- Provided high-volume live chat support on Pakistan's largest e-commerce platform.
- Resolved customer inquiries regarding order deliveries, returns, refunds, and complaints while strictly adhering to company KPIs and SLAs.

Chat Support & Lead Gen Agent Cenit.inc — Karachi, Pakistan

Apr 2019 – Sep 2023

- Delivered multilingual live chat and email support for an international real estate campaign targeting US and Canadian clients.
- Drove lead generation efforts and efficiently qualified real estate prospects through active listening and strategic communication.
- Maintained high resolution rates by addressing complex inquiries with cultural sensitivity and strong problem-solving skills.
