

Muhammad Hamza

BPO Professional - Acting Team Lead / QA - Last Mile Executive (Supply Chain)

PROFILE

Dynamic, results-driven Operations and Customer Experience Specialist with over 5 years of progressive experience across Team Leadership, Last-Mile Logistics, Quality Assurance, and High-Volume Customer Support campaigns. Proven track record of optimizing workflow efficiencies, driving team performance to hit stringent Service Level Agreements (SLAs), and delivering high-quality client interventions. Recognized for robust problem-solving, analytical expertise in performance metrics, and excellent communication skills required to manage cross-functional stakeholders and elite operational teams.

WORK EXPERIENCE

CCIPK

Jun 2025 - Jun 2026

Last Mile Executive (Walmart)

Strategically aligned delivery vehicles and optimized routing matrices to maximize logistical efficiency, ensuring 100% adherence to strict Service Level Agreements (SLAs). Supervised and coordinated daily operations for a large fleet of dispatch riders and field support personnel to maintain peak dispatch performance. Identified bottleneck issues in real-time supply chain operations and executed rapid corrective measures to reduce delivery turnaround times

Tribe Consulting

Mar 2024 - Feb 2025

Customer Service Representative

Leveraged outstanding communication skills to manage critical client accounts. Resolved high-priority customer support issues efficiently. Maintained professionalism and effective problem-solving under pressure.

Ibex

May 2023 - Jan 2024

Acting Team Lead (Daraz)

Directed daily workflows, prioritized queue distributions, and dynamically allocated organizational resources across a high-traffic e-commerce campaign. Monitored team KPIs closely, taking proactive corrective actions to resolve escalations and maintain standard-setting customer service delivery. Facilitated pre-shift huddles and alignments to synchronize campaign goals and improve single-contact resolution rates.

Ibex

May 2023 - Jan 2024

Quality Assurance Executive

Evaluated live customer support chat interactions against rigid quality compliance matrices to ensure elite communication standards. Provided actionable, data-driven feedback and one-on-one coaching sessions to agents, fostering continuous improvement and service polish. Designed and executed targeted refresher training modules based on trending quality gaps to elevate overall campaign performance scores.
