01 PROFILE

Customer Support and E-Commerce Operations professional with 5+ years' experience managing end-to-end online store operations across Shopify and WooCommerce. Expert in processing 150+ orders daily, coordinating multi-carrier logistics, handling COD and claims, and managing SLA/TAT to ensure timely resolutions. Proven track record reducing RTO from 32% to 18% through targeted address verification and proactive customer outreach. Reliable communicator skilled at resolving complex shipment issues, improving operational accuracy, and driving consistent customer satisfaction in high-volume environments.

02 EMPLOYMENT HISTORY

Nov 2021 — Present

Customer Support & Logistics Executive at Deal20one.com

Managing end-to-end e-commerce order processing across Shopify and WooCommerce platforms. Ensuring smooth order fulfillment through coordination with multiple courier partners. Handling shipment-related issues including delays, lost shipments, and product complaints. Managing claims follow-ups with courier companies and ensuring timely resolution. Conducting address verification and order confirmation to minimize delivery failures. Monitoring shipment tracking and proactively updating customers regarding order status. Maintaining daily operational logs and preparing weekly/monthly performance reports. Providing customer support via calls and WhatsApp with professional communication.

Nov 2020 — Jul 2021

Data Entry Executive (MMS Department) at Leopards Courier Services (LCS)

- Entered and updated shipment data in courier system with accuracy.
- Maintained tracking records and ensured proper documentation of shipments.
- Assisted in resolving dispatch and tracking discrepancies through internal coordination.
- Managed reverse logistics operations including return shipments processing, arrival marking, and dispatch coordination of returned parcels.
- Gained hands-on understanding of courier workflow, shipment lifecycle, and backend logistics processes.

Sept 2017 — Feb 2019

Sales Executive at BATA Co. Pvt Ltd

- Handled customer dealing and assisted in product selection and sales.
- Managed in-store sales operations and ensured customer satisfaction.
- Developed communication, negotiation, and customer handling skills.
