PROFESSIONAL SUMMARY

I am a self-motivated and enthusiastic professional characterized by a strong sense of intelligence, integrity, and energy. With 8 years of experience in customer service, back office operations, insurance brokerage, BPO, banking, and now ecommerce, I bring a dynamic approach to every challenge. Whether working independently or as part of a team, I am committed to achieving excellence in every task I undertake.

WORK EXPERIENCE

Asst. Manager - Compliance

06/2025 - Present

BTCM Staffing LLC – KHI, Pakistan

- Manage the receipt, verification, and implementation of garnishment and child support orders for employees. Review and validate garnishment orders, ensuring compliance with federal, state, and local regulations.
- Maintain accurate records for each garnishment and child support case, ensuring all payments are processed in a timely manner.
- Collaborate with store managers to ensure proper communication and execution of garnishment orders. Act as the liaison between the organization and state or local child support enforcement agencies.
- Handle scheduling and preparation for hearings related to garnishments, child support, or other state-mandated compliance issues.
- Provide reports to senior management on compliance status and potential risks

Customer Support Manager

11/2024 - 04/2025

MomYom , Pakistan

- Lead, mentor and coach a team of customer service representatives to deliver a best-in-class customer experience
- Oversee/monitor customer service representatives’ outbound customer interactions. Ensure all customer interactions are actioned and resolved in a timely and personal manner. Lead daily product returns and ensure items are returned to stock in a timely manner. Partner with warehouse/order fulfillment team for customer and fulfillment related needs
- Assist customer in buying decisions (offer up sells and presenting appropriate alternatives). Work closely with appropriate stakeholders to resolve customer-facing issues. Work closely with retail finance to resolve any variances between E commerce Platform, POS System, and WMS and to help win customer charge back

Team Manager / Team Coach

10/2020 - 07/2023

IBEX (SquareTrade) – KHI, Pakistan

- Coordinate and deliver targeted training sessions tailored to organizational and staff learning needs to drive performance enhancement.
- Conduct continuous needs analysis utilizing customer feedback and field insights to refine learning strategies and maximize impact.
- Implement leadership, soft skills, and technical training to elevate team performance and exceed expectations.
- Onboard new hires with comprehensive product and customer service training, resulting in a 92% customer satisfaction rate.
- Establish industry best practices for operational activities to maintain top-tier quality control and customer service standards.
- Supervise and coach client-service representatives to consistently surpass business goals.
