Summary

Highly motivated and adaptable professional with a versatile skill set. Seeking a dynamic role in a progressive company where creativity, strategic thinking, and a commitment to excellence are valued. Eager to contribute positively to a collaborative team environment and embrace new challenges that promote continuous learning and professional growth.

Experience

Digital Marketer (Remote)

TechMark

January 2024 - August 2024

As a digital marketer, I managed social media campaigns, Google Ads, and basic SEO, generating 3-5 leads daily through social media. I utilized data-driven insights for strategic planning and execution, optimized our online presence, and curated engaging content to enhance brand loyalty and awareness, aligning digital initiatives with marketing objectives.

Marketing Executive

Winway International School | Extraordinary O Level Education for Future Leaders in Karachi

Mar 2023 - November 2023 (9 months)

I was responsible for running their campaigns on social media platforms, especially on Facebook and Instagram. I improved how a school shows up online by taking care of the technical parts of the school website. I planned things out, made content, and made sure the website worked well.

Operations Manager

US Enterprises

Nov 2021 - Jun 2023 (1 year 8 months)

As the Operational Manager at US Enterprises, I oversaw daily operations, managed the E-commerce store on Daraz, and handled Facebook marketing to drive traffic and sales. I also collaborated with the web development team to enhance user experience and optimize functionality.

Assistant Manager

perfect international agency

Jun 2020 - Jul 2021 (1 year 2 months)

As an Assistant Manager at Perfect international agency, I provided valuable support to daily operations. I worked closely with the managerial team and ensured smooth workflow and efficient task execution.

Salesperson

Kaif communication

Jul 2019 - Jul 2020 (1 year 1 month)

During my tenure at Kaif Communication as a Salesman, I played a crucial role in driving sales and contributing to the company's success.

Education

- **University of Bolton**

Business Management And Marketing (Top-up / Bachelors final Year)
