Tabassum Javed

E-Commerce Specialist | Customer Operations | Sales & Retail Management

PROFILE SUMMARY

Results-driven e-commerce and sales professional with proven experience in digital customer service, order management, retail operations, and team leadership. Skilled at resolving customer issues efficiently and driving sales targets.

PROFESSIONAL EXPERIENCE

Order Booking Executive — WhatsApp Clients

Shades of Zara | Nov 2025 – Present

- Manage end-to-end digital order placement, converting WhatsApp inquiries into confirmed orders.
- Primary contact for digital customers — resolving product, sizing, and booking queries.
- Streamline daily order workflows for accurate records and swift fulfillment handover.

Sales Department Head

Shades of Zara | Jan 2026 – Present

- Supervise retail sales operations and coordinate staff to drive target milestones.
- Manage inventory frameworks and compile sales reports for executive decisions.
- Train and mentor junior team members in professional customer handling.

E-Commerce Specialist

E-Commerce Operations | 2024 – 2026

- Managed multi-channel customer service — order taking, complaints, social media.
- Resolved complex customer grievances ensuring high satisfaction and retention.

Retail Associate

Imtiaz Super Mart | 1 Year

- Managed in-store customer handling, item placements, and retail query resolutions.
- Assisted in large-scale inventory management and floor organisation.
