Professional experience

Product Marketing Executive

VIDIZMO | November 2023 – Current

- Created **blog content** highlighting VIDIZMO's unique selling propositions (USPs) by leveraging customer analysis and market research to address buyer pain points and drive engagement.
- Conducted **keyword research** to identify high-intent keywords, optimizing content to attract the target audience, increase website traffic, and generate qualified leads.
- Developed and optimized **website pages** and **landing pages** by combining internal insights and market research to ensure alignment with customer needs and business objectives.
- Managed and curated **social media content** for LinkedIn, X, Facebook, and Blue-Sky platforms, increasing audience engagement and brand visibility.
- Maintained consistent **branding** and **messaging** across all communication channels and marketing collateral to strengthen the brand identity.
- Designed and produced marketing and **sales enablement materials**, including one-pagers, battle cards, and pitch decks, to support the business development and sales teams in building partnerships and closing deals.
- Authored case studies, **eBooks**, and **whitepapers** to establish VIDIZMO as an authority in its domain and provide in-depth insights to prospects and customers.
- Designed and executed **marketing funnels** for blogs to nurture leads and guide prospects through the buyer's journey.
- Wrote and distributed **press releases** announcing product updates, new features, and company developments, enhancing media coverage and brand awareness.
- Conducted **A/B testing** to analyze the performance of campaigns and content, refining strategies to maximize effectiveness and ROI.

Senior Content Strategist

Contech Corp | April 2022 – October 2023

- Created and executed **content campaigns** and **social media strategies** tailored to client objectives, driving engagement and brand growth.
- Conducted comprehensive **content audits** of websites and marketing collaterals to identify gaps, improve messaging, and enhance alignment with target audience needs.
- Designed **wireframes**, established **brand tone of voice**, and developed consistent messaging to build strong, recognizable brands for clients.
- Developed and implemented **content plans** for over 100 clients, ensuring consistency in brand voice and alignment with client goals.
- Managed and trained a **team of content creators**, including writers and editors, to maintain high-quality standards and meet project deadlines efficiently.
- Authored well-researched content on diverse topics, utilizing external research to produce authoritative and compelling material.
