- **Business Mindset**: Leveraged marketing and financial expertise to help companies across different industries succeed and grow.

Business Development Executive & Brand Executive

Fleekbiz

📅 2021 - 2022 📍 P.E.C.H.S Block 6

IT Services

- **Promoted www.dymentions.com**: Enhanced the website's online visibility and engagement.
- **Increased Social Media Reach**: Grew organic followers through targeted strategies and engaging content.
- **LinkedIn Networking**: Cultivated valuable LinkedIn connections, fostering strong professional relationships.
- **Collaborated with Designers**: Assisted in creating engaging and impactful content.
- **Business Development**: Built relationships with Directors, Decision Makers, and Managers to drive new business opportunities.

SUMMARY

With 4 years of experience in **business and brand management**, I have successfully driven growth and built strong brand identities for multiple clients across industries. I've worked on **strategic business planning and brand development** for companies such as **MakeShopify**, a Shopify Plus partner, **Visual Playground**, a Maryland-based agency, and **Dubai-based brands** like Everprime Foods, Popluck, and United Foods. Additionally, I have played a key role in **business development** for US companies, including Medical Lien Management, Green Scene Billing, and Virtual Moje, enhancing their market presence and driving sales growth. My expertise extends to **market analysis, negotiation**, and leveraging **data-driven strategies** to improve performance across multiple platforms and markets.

KEY ACHIEVEMENTS

Your Achievement

Boosted Brand Performance: Drove growth through data-driven insights and Google Analytics.

Created Impactful Ad Campaigns: Developed successful ad strategies and copy for stronger engagement.

Built Client Connections: Strengthened client relationships on LinkedIn for ongoing partnerships.

Expanded Brand Reach: Grew Shopify and Dubai-based brands through targeted development and backlinking.

Enhanced Customer Success: Focused on satisfaction and retention with hands-on client support.
