PERSONAL STATEMENT

A dedicated BS Logistics and Supply Chain Management student with a strong academic foundation and a proven track record in high-pressure, results-oriented environments. I am eager to leverage my practical experience in client management, lead generation, and project coordination to add value to the supply chain operations of a leading organization. Having developed advanced skills in MS Excel and analytical problem-solving through professional sales and business development roles, I am committed to optimizing operational efficiencies and fostering seamless logistics processes during a professional internship
