

Application for job

Dear Sir/Mam

I have always been a smart & hard worker and appreciate challenges that improve my chances for growth within my professional life. A motivated and results-oriented professional with 15 years of diverse experience in Teaching, Administration, Customer Service, Sales & Marketing, Chat Support, and Office Operations. Experienced in managing administrative tasks, maintaining records, preparing reports, coordinating with clients, and ensuring smooth day-to-day office operations. Proficient in Microsoft Office (Word, Excel, PowerPoint) and QuickBooks, with strong communication, organizational, and problem-solving skills. A reliable and adaptable team player, committed to delivering high-quality work and contributing to the growth and success of the organization..

I have an innate need to finish whatever I undertake to do and to do it well. My ability to make people around me feel at ease provides a conducive work environment, regardless of whether they are my subordinates or colleagues and I have always believed in being a team player. I have good analytical and report making skills, which are a necessity in work environments nowadays.

I hope the CV I have attached with this email will further highlight my suitability for your company. Please let me know if you have any questions or need any information regarding my background or qualifications.

I look forward to hearing from you soon. Thank you for your consideration.

Regards,

DUA ALI
