SOURCING | CUSTOMER SUPPORT | MARKETING

SUMMARY

Sourcing and marketing professional currently serving as Senior Sourcing Executive at Cloud Innovator Solution, with expertise in vendor sourcing, supplier coordination, and procurement support. Previously managed international client relations and lead generation at Tradewheel.com across global B2B platforms. Experienced in customer service and quality assurance, strengthening stakeholder communication and service efficiency. Holds Bachelor's and Master's degrees in Philosophy (Logic) from the University of Karachi and is currently pursuing an MBA in Marketing from Iqra University. Known for delivering measurable results through data-driven strategies, cross-functional collaboration, and a strong commitment to operational excellence.

EXPERIENCE

Senior Sourcing Executive – Team Lead

Cloud Innovator Solution | LA Giveaways (E-Commerce) | Karachi, Pakistan

- Led end-to-end sourcing operations for LA Giveaways (an in-house e-commerce project of Cloud Innovator Solution), managing the full supply chain cycle — from supplier identification, negotiation, and order placement, through to distributor coordination and final delivery.
- Handled dual-end operations by managing supplier sourcing, vendor evaluation, and procurement strategies on one end, while overseeing distributor relationships, inventory tracking, and order fulfilment on the other — ensuring seamless supply chain stability.
- Led a sourcing team, set weekly KPI targets, and utilised ERP (Odoo) and ClickUp to track procurement workflows, maintain supplier databases, and report performance metrics to senior management.

International Sourcing Manager

Tradewheel.com | Karachi, Pakistan

- Managed Chinese client regions and represented overseas office operations, acting as the key bridge between international buyers and Pakistani suppliers across the global B2B platform.
- Generated qualified leads through proactive client outreach, virtual meetings, and targeted B2B campaigns, then matched buyer requirements with verified global suppliers to ensure accurate product fulfilment and deal closure.
- Maintained structured CRM pipelines to track client interactions and deal progress, while collaborating with marketing teams to optimise supplier listings for improved platform visibility and conversion rates.

Quality Assurance Specialist

Etisalat – First Option | Karachi, Pakistan

- Monitored and audited lead quality through systematic call evaluations and performance benchmarking, ensuring all outputs consistently met defined company quality standards.
- Identified recurring service gaps and delivered data-backed, actionable feedback to supervisors and frontline teams, driving continuous process improvement across operations.
- Compiled and presented weekly QA summary reports covering agent performance scores, trend analysis, and corrective action recommendations to management.

Customer Service Executive

IBEX Global – Foodpanda Campaign | Karachi, Pakistan

- Handled high-volume customer inquiries and resolved service issues efficiently across voice and chat channels, maintaining professionalism and accuracy throughout every interaction.
- Sustained above-average CSAT scores by applying strong communication, empathy, and problem-solving skills — ensuring consistent customer satisfaction during peak Foodpanda campaign periods.
- Recognised as a top-performing agent for maintaining low average handling time while upholding high-quality service delivery standards, ranking in the top 10% of the team.

EDUCATION

Master's in Business Administration (Marketing)

Iqra University | Karachi, Pakistan | Currently Pursuing

Specialisation in market research, brand management, strategic planning, consumer behaviour, and digital marketing. Final semester project focused on social media marketing ROI for SMEs in Pakistan.
