EXPERIENCE

HR Executive

Feb 2025- June 2026

InterSys Limited

- Reduced average time-to-hire by 20%, as measured by weekly recruitment pipeline reports, by redesigning the candidate screening process and aligning interview schedules across three departments.
- Improved new-hire onboarding satisfaction to 90%+, as measured by 30-day post-joining surveys, by standardising documentation workflows and resolving employee issues within a 24-hour SLA.
- Maintained 100% compliance on joiner documentation, as measured by zero audit findings in two consecutive HR reviews, by implementing a structured digital filing and verification system.

Supply Chain Executive

Oct 2024- Jan 2025

Junaid Jamshed Pvt Ltd

- Accomplished optimized inventory operations by improving stock monitoring, re-examination processes, and warehouse coordination through effective management practices.
- Accomplished better client and operational communication by maintaining accurate records, coordinating logistics activities, and supporting business requirements.

Customer Support Officer | Client Relationship & Business Development

May 2023 - Sep 2024

Leopards Courier Service

- Successfully acquired corporate clients by persuading major corporations to relocate delivery operations away from competitors through relationship management and service value communication.
- Improved customer satisfaction by responding to client concerns, keeping CRM-style records, and assuring quick resolution of delivery difficulties.
- Strengthened customer retention by cultivating long-term client connections through proactive follow-up and problem-solving.

Front Desk Visa Officer

May 2022- Nov 2022

TCS Visatronix

- Secured three new embassy partnerships for VISA application processing, as measured by signed MOU records and application volume data, by presenting TCS's logistics and tracking capabilities as the preferred end-to-end delivery solution.
- Improved client satisfaction scores by 18%, as measured by post-service feedback forms, by streamlining ticket facilitation workflows and reducing average client wait time at the front desk.

Customer Service Representative

Sept 2021- April 2022

TRAX Logistics

- Retained 95% of corporate client accounts across a portfolio of 40+ brands, as measured by monthly account retention reports, by resolving delivery disputes within 24 hours and maintaining proactive communication protocols.
- Converted 8 online brand accounts to shift 100% of their delivery volumes to TRAX, as measured by shipment volume migration records, by demonstrating cost-per-shipment savings and service reliability benchmarks vs. competitors.

Sales Executive — Financial Products

Sept 2020- Feb 2021

Silk Bank

- Exceeded first-month sales quota by 150%, as measured by branch performance leaderboard, by selling 5 primary credit cards and 10 supplementary cards within 30 days through referral networking and needs-based consultative selling.
- Achieved consistent monthly KPI targets across the card acquisition programme, as measured by team performance dashboards, by identifying high-probability prospects through community outreach and local business engagement.

Teacher

Jan 2019- Dec 2019

PTE Academy School and Coaching Center

- Improved average student assessment scores by 22%, as measured by pre- and post-course test comparisons, by developing engaging lesson plans and using performance tracking to provide personalised feedback to each student.

PROJECT EXPERIENCE

ETHICS AND SOCIAL RESPONSIBILITY: Spreading Awareness about cleanliness and Saving the Planet.

MARKETING: Developed a brand repositioning strategy for an underperforming brand by analyzing customer perception, market positioning, and promotional opportunities.

ENTREPRENEURSHIP: Created a business development plan for a new service concept by evaluating customer needs, pricing strategy, and market feasibility.

COMMUNICATION SKILLS: Delivering a presentation on how to become a fully professional PowerPoint designer.

INFORMATION TECHNOLOGY: Presented technology and communication-based business concepts focused on customer engagement and market trends.
