Brief Synopsis

I'm a self-taught, tech-savvy marketing enthusiast who thrives on capitalizing on the latest digital trends. With a knack for blending the best of both digital and traditional marketing worlds, I specialize in scaling revenue, turbocharging ROI, and creating undeniable brand authority. From 360-degree lead generation to crafting seamless marketing strategies, I've done it all—and loved every moment of it. Whether it's leading multi-channel ad campaigns, revamping content strategies, or setting up data-driven funnels, I bring a performance-driven approach to every challenge.

Experience

IceBerg Studios (Aug '24 – Present)

Head of Performance Marketing (Consultant)

- Leading the establishment of a new 360 marketing studio by setting up overall marketing operations, website, social media, and initial ad campaigns.
- Guiding the design team with art direction to enhance the studio's and clients' digital portfolios.
- Developing and executing paid acquisition strategies across core digital channels like Google Ads and Facebook Ads.
- Analyzing data to optimize campaign performance, ensuring top-performing ads and keywords.
- Managing budgets, experimenting with targeting strategies, and staying updated on new advertising technologies.

Pencil Media Production (May – July '24) (California, USA)

Marketing Consultant (Contract) (Remote)

- Guide the digital marketing team to establish a cohesive and impactful online brand presence for the agency and its clients.
- Develop and execute paid acquisition strategies across key channels, including Google Ads, Facebook Ads, affiliates, display, retargeting, and email marketing.
- Set up, manage, and optimize campaigns for top performance, analyzing data for targeting insights and managing budgets efficiently.
- Design and test innovative targeting experiments, stay updated on advertising technologies, and manage vendor relationships.
- Monitor social media, analyze research data, and prepare comprehensive reports, ensuring all end-of-month deliverables are met.

Jome Journey (Jan – April '24) (Singapore)

Head of Performance Marketing (Contract) (Remote)

- Lead and manage a global remote team, fostering collaboration and a positive work culture while overseeing SEO, social media, Google Ads, Facebook marketing, video production, and front-end development for the agency and its real estate clients.
- Implement SEO strategies for high rankings, manage ad campaigns for cost optimization and lead quality, and ensure consistent branding and content strategy across platforms.
- Develop and execute strategies to enhance market presence, drive client acquisition, and standardize processes using SOPs and KPIs.
- Oversee hiring, budget management, and CRM development to optimize workflow and ensure efficient resource allocation.

Pencil Media Production (May – Dec '23) (California, USA)

Head of Performance Marketing (Remote)

- Lead the digital marketing team to create a cohesive and dynamic online brand presence for the agency and its clients.
- Develop and execute paid acquisition strategies across key channels, managing and optimizing campaigns for peak performance.
- Analyze data for targeting insights, manage budgets, design experiments, and stay updated on new advertising technologies.
- Oversee vendor relationships, troubleshoot tracking issues, and ensure completion of reporting and deliverables.
- Monitor social media, compile data, and prepare comprehensive reports for performance analysis.

REDBOX Marketing Estate (Sept – Dec '22) (Khi, Pak)

Head of Marketing

- Spearhead strategic and tactical marketing campaigns, focusing on segmentation, tracking, analysis, and performance optimization.
- Oversee IT and production teams for in-house integrations, SAAS products, mobile apps, and content for Redbox TV and clients.
- Design and implement branding, positioning, and pricing strategies across digital and conventional channels, ensuring a cohesive brand message.
- Develop hiring plans, budgets, training programs, and KPI-based incentive initiatives, boosting morale and driving departmental success.
- Analyze consumer behavior, identify new market opportunities, and coordinate sales and marketing efforts to enhance brand awareness and market share.
- Collaborate with leadership and other departments to drive efficient partnerships and foster a customer-centric marketing culture.

Future Power SMC Pvt Ltd. (July – Sept '22) (Khi, Pak)

Performance Marketing Consultant (Contract)

- Designing and implementing effective B2B and B2C sales strategies, while revamping and optimizing a high-converting, sales-centric website for better user engagement.
- Planning and executing yearly, data-driven campaigns on Facebook, Google Ads, and LinkedIn to maximize reach and conversions.
- Developing SOPs for post-sales services and leveraging digital avenues like retargeting to keep existing clients engaged and drive repeat business.
- Establishing a streamlined digital sales funnel and ensuring seamless integration of marketing tools to enhance the customer journey and boost conversion rates.
- Creating lead nurture strategies focused on accelerating Return on Ad Spend (ROAS) and optimizing the sales cycle for maximum efficiency.

TPL Trakker (July '21 – June '22) (Khi, Pak)

Manager Digital Transformation

- Scaled digital sales from \$300,000 to \$7,700,000 per month and improved digital sales infrastructure through lead generation campaigns.
- Managed digital media portfolios for TPL Trakker, TPL Maps, and Trakker Middle East, serving as the key point of contact for all external digital partners and agencies.
- Planned and executed comprehensive digital marketing campaigns, including web, SEO/SEM, email, social media, and display advertising, while maintaining a strong social media presence.
- Measured and reported the performance of all digital marketing campaigns, assessed against goals, and managed ad spends across all digital platforms.
- Collaborated with internal teams to create landing pages, optimize user experience, and design social media strategies aligned with business goals.
- Evaluated emerging technologies, provided thought leadership for their adoption, and worked with sales and customer service teams to ensure brand consistency.

Seamless Ideas (Jan '20 – July '21) (Manchester, England)

Marketing Consultant (Hybrid)

(Nov 2020 – July 2021)

- Managing both internal B2B and external B2C ad campaigns, while overseeing SEO and lead conversion efforts in collaboration with external consultants.
- Developing and optimizing lead magnets and landing pages, while continuously running and monitoring A/B tests to improve performance.
- Overseeing all social media accounts and blog content to maintain brand consistency and engagement.
- Handling billable clients, delegating tasks effectively to the team, and conducting training sessions for both global and local teams.

Senior Content Marketing Manager

(Jan 2020 – Oct 2020)

- Spearheaded the content strategy to establish a strong online presence for a 360 Marketing Agency, driving engagement and brand authority across platforms.
- Managed client relationships through strategic account management and delegated tasks among content creators, designers, and copywriters to ensure efficiency and high-quality output.
- Oversaw the creation, curation, and optimization of diverse content formats, including blogs, social media, newsletters, infographics, videos, and case studies, aligned with a data-driven content calendar.
- Conducted content audits and performance analysis to refine strategies, boost SEO rankings, and enhance overall campaign effectiveness, while leading brainstorming sessions to stay ahead of industry trends.

Crea8ive Bench (Aug '16 – Oct '19) (Khi, Pak)

Team Lead Content

(Jan 2018 – Oct 2019)

- Managing a team & conducting weekly workshops
- Scheduling & managing content strategy
- Developed & executed the marketing strategy of Unilever Talent Hunt 2018, UFLP 2019 & ULIP 2019
- Copy management for all paid & unpaid social media posts

Content Strategist

(Aug 2016 – Dec 2017)

- Managed web content for all company websites and created SEO-optimized blogs to drive traffic and improve rankings.
- Led guest blogging efforts, both paid and unpaid, to expand reach and boost backlinks.
- Developed engaging infographics, video content, and managed content for the “Soch” app and social media platforms.

Do IT (Feb – Aug '16) (Khi, Pak)

Content Writer

- Created and optimized web content for various technical and medical websites, ensuring clarity and accuracy.
- Authored engaging DIY blogs, listicles, and diverse articles tailored to different audience interests and SEO best practices.
- Wrote in-depth product reviews and crafted concise academic summaries, delivering high-quality content that informed and engaged readers.
- Adapted writing style to suit a wide range of topics and formats, meeting content requirements for a blogging company.
